

Sponsorship Benefits

The Florida Faith Symposium is one of the State of Florida's premier events that brings together more than 500 faith and government leaders to highlight best practices and initiate action to empower our children, families and communities. This must attend event features more than 30 educational workshops designed to uplift and engage attendees in a spirited discussion on faith based best practices in Florida. Please join the Florida Department of Juvenile Justice, the Florida Department of Children and Families and the Florida Faith-Based and Community-Based Advisory Council in hosting the 2016 Florida Faith Symposium.
